## When being together is important... For both of you

If you are experiencing Erectile Dysfunction – you are not alone. More than 30 million men suffer from E.D. To learn more about your treatment options, you and your partner are invited to join us for a FREE seminar to learn more about treatment options for Erectile Dysfunction.

Dr. Stanley Myers has a straightforward procedure to get back a lifetime of enjoyment. His clinic is designed to diagnose and treat the physical problems associated with:

- Erectile Dysfunction
- Peyronies Disease
- Premature Ejaculation
- Low Libido
